

PINBALL CLEAR MYLAR PROTECTOR KIT

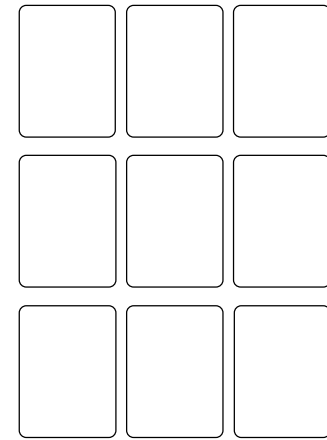

MayPrinting.com ©2006

Kickers (2)

Jet Bumpers (3)

Drop Targets (9)

-Fits all Standard Pinball Machines (Bally, Gottlieb, Stern, Williams)

-Simply Peel and Stick, no major machine disassembly required.

-Can be trimmed to custom fit with scissors, if necessary.

- **Kits** - Available in *Clear Durable Self-Adhesive 3mil Vinyl*, contains 14 total pieces. Don't leave these high traffic areas on your playfield exposed and prone to damage. Fits all standard playfields.
- **Installation** - Simply remove playfield glass, clean area to be applied to, align over location and rub on. The Jet Bumper Mylar can be installed without disassembling the Jet Bumper Assembly. Drop Target Mylar can also be used to make your own Drop Target Stickers, just print your drop target graphics on a regular paper label material, then apply it to the target, trim from the backside, and cover with a Drop Target Mylar to protect it.
- **Removal** - Carefully pull off, use a product like "Goo-Gone" from Magic American Products (Available at Wal-Mart, Home Depot, Lowes) to remove any residue and/or to assist in removal.
